Undercut point fixing system for photovoltaic facade elements

Product	Undercut point fixing system for photovoltaic facade elements
Producer / CH supplier	fischerwerke GmbH & Co.KG ACT Facade Systems
Address	Weinhalde 14-18 D-72178 Waldachtal
Contact	Tel: +49 7443 12 45 53 Fax: +49 7443 12 49 07 Mail: act@fischer.de Web: www.fischer.de

Product specifications

Ventilated photovoltaic façade with fixing points. This method allows to fix the laminates behind the PV cells and this way to leave the surface intact.

Drilling and anchor setting procedure for the FZP-G-Z point holder in glass
