

Detail sheet

Fastening systems for roofs

ERIT EV1M

Product	ERIT EV1M
Producer / CH supplier	SITAV Engineering
Address	Via Pianezza 202 I-10151 Torino
Contact	Tel: +39 011 420 05 23 Mail: fotovoltaico@sitav.com Web: www.fotovoltaicoerit.com

Product specifics

ISOSUN multicrystalline photovoltaic modules are applied on a pre-insulated ribbed steel support.

Technology:	Multicrystalline (ISOSUN226)
Power [W]:	226
Size [mm] L, w, t:	1646 x 982 x 14 (PV module)
Specific power [W/m^2]:	140
Price [CHF/m^2]:	
Module weight [Kg]:	19
Specific weight [Kg/m^2]:	11.7
Min. tilt:	n.d.
Custom made:	Element length, thickness of insulating material (PUR), lower support
Certifications:	IEC 61215
