Detail sheet

Semi-transparent elements for glass

EnergyGlass BIPV Module

Product	EnergyGlass BIPV Module
Producer / CH supplier	EnergyGlass
Address	Via Domea 79 I-22063 Cantù CO
Contact	Tel: +39 031 412 03 88 Fax: +39 031 449 01 41 Mail : contact@energyglass.eu Web: www.energyglass.eu

Product specifics

Security stratified photovoltaic glasses for architectonic integration. The PV glasses designed and produced by EnergyGlass are customizable to satisfy any architectonic requirement. EnergyGlass has certified its PV glasses by the CEI EN 61215 and CEI EN 61730 norms.

Technology:	Monocrystalline, multicrystalline, thin film
Power [W]:	Custom made
Size [mm] L, w, t:	Custom made (<8m ²)
Specific power [W/m²]:	Custom made
Price [CHF/m²]:	n.d.
Module weight [Kg]:	Custom made
Specific weight [Kg/m²]:	Custom made
Min. tilt:	n.d.
Custom made:	Power, dimensions
Certifications:	IEC61215, IEC61730
